## HB2001 - Department of health services; rulemaking

### Sponsor

Rep. David L. Cook (R)

### Summary

The Administrative Procedures Act does not apply to rules made by the Department of Health Services if the rules reduce a regulatory burden without jeopardizing health and safety, do not increase costs to regulated persons, and the public is given at least 15 days to comment on the rules prior to their adoption.

## HB2041 - Mental health; voluntary evaluations; payment

**Sponsor**

Rep. Selina Bliss (R)

**Summary**

During the process for court-ordered mental health evaluations, if a person who requested a voluntary mental health evaluation does not appear or does not complete the appointments scheduled, the provider who was to conduct the evaluation is required to immediately notify the evaluation agency provided for by the county, and the evaluation agency is required to provide prepetition screening of the application for court-ordered mental health evaluation. When a person is given a voluntary mental health evaluation, the person is responsible for paying the costs of the evaluation to the extent it is not covered by a third-party payor.

## HB2043 - Physician assistants; supervision; collaboration

### Sponsor

Rep. Selina Bliss (R)

### Summary

Licensed physician assistants (PAs) who have at least 6,000 hours of clinical practice certified by the Arizona Regulatory Board of Physician Assistants are no longer required to be supervised by a licensed physician, and instead are required to collaborate with or refer to the appropriate health care professional as determined by the policies of the practice setting at which the PA is employed. PAs are authorized to provide any legal medical service for which the physician assistant has been prepared by education, training and experience and that the physician assistant is competent to perform. PAs who have less than 6,000 hours of clinical practice certified by the Board are required to work in accordance with a supervision agreement that describes the PA's scope of practice. A PA who does not practice under a supervision agreement is legally responsible for the health care services performed by the PA. Effective January 1, 2024.

## **HB2194 - Drug overdose fatality review teams**

### **Sponsor**

Rep. Quang H. Nguyen (R)

### **Summary**

Establishes a 20-member Drug Overdose Fatality Review Team in the Department of Health Services and requires the Review Team to develop a drug overdose fatalities data collection system, assist in the development of local drug overdose fatality review teams, develop protocols for drug overdose investigations, and determine changes needed to decrease the incidence of preventable drug overdose fatalities. Establishes processes for the Review Team to access information and regulates the confidentiality of information and records acquired by the Review Team. Review Team meetings are closed to the public and are not subject to open meeting law if the Review Team is reviewing

information on a person who overdosed on drugs. Violations of the confidentiality requirements are a class 2 (mid-level) misdemeanor. Self-repeals January 1, 2029.

## **HB2336 - Tuition; family; posttraumatic stress; suicide**

### **Sponsor**

Rep. Amish Shah (D)

### **Summary**

The Arizona Board of Regents or a community college district is required to provide a tuition waiver scholarship to the child or spouse of an Arizona resident who was a veteran of the U.S. Armed Forces or served as a peace officer or firefighter, who suffered a posttraumatic stress injury in the line of duty, and who died by suicide. Tuition waiver scholarships are limited to children who are 30 years of age or younger and spouses who have not remarried. A person who meets these requirements on the effective date of this legislation is eligible to receive a tuition waiver scholarship regardless of the date on which the eligible person's parent or spouse suffered the posttraumatic stress injury or died by suicide.

## **HB2451 - Prescription digital therapeutics; pilot program**

### **Sponsor**

Rep. Teresa Martinez (R)

### **Summary**

Establishes the Prescription Digital Therapeutics Pilot Program in the Arizona Department of Health Services (ADHS). ADHS is required to contract with a vendor to procure "FDA-authorized prescription digital therapeutics" (defined) that are approved for the treatment of substance use disorder and opioid use disorder to explore the effectiveness of the prescription digital therapeutic. Within six months after the termination of the Program, ADHS is required to report to the Legislature on the Program, and information that must be included in the report is listed. Appropriates \$10 million from the monies that are governed by the One Arizona Distribution of Opioid Settlement Funds Agreement in FY2023-24 to ADHS for the Program.

## **HB2467 - International medical graduates; licensure**

### **Sponsor**

Rep. Steve Montenegro (R)

### **Summary**

The Arizona Medical Board is required to grant a license to practice medicine in Arizona to an international medical graduate who is a resident of and is licensed to practice in any of a list of ten countries if the person meets other specified requirements. AMB is required to issue a provisional license to practice medicine in Arizona to any international medical graduate who has an offer for employment at any health care provider that operates in Arizona, whose federal immigration status allows him/her to practice as a physician in the U.S., and who meets the requirements for licensure. A provisional license under these circumstances is automatically converted into a full license after three years unless AMB disciplines the licensee in that period. Effective January 1, 2024.

### Summary

Subject to any required approval of the federal Centers for Medicare and Medicaid Services, the Arizona Health Care Cost Containment System (AHCCCS) Administration and its contractors are

required to provide coverage of "rapid whole genome sequencing" (defined) as a separately payable service for members that are under one year of age, have a complex or acute illness of unknown etiology that is not confirmed to be caused by an environmental exposure, toxic ingestion, infection with normal response to therapy, or trauma, and are receiving inpatient hospital services in an intensive care unit or a high acuity pediatric care unit. The coverage may be subject to applicable evidence-based medical necessity criteria that are based on a list of specified factors. The AHCCCS Director is required to submit any new waiver application or amendment necessary for approval for this coverage.

**HB2486 - Clinical research; psilocybin; grants; appropriation**

## Sponsor

Rep. Kevin Payne (R)

## Summary

The Director of the Arizona Department of Health Services (ADHS) is required to provide competitive research grants for whole mushroom psilocybin phase one, phase two, and phase three clinical trials that are capable of being approved by the U.S. Food and Drug Administration to evaluate the effects of whole mushroom psilocybin on treating a list of disorders and conditions. Establishes requirements for the clinical trials that are funded under this section. Establishes a 5-member Psilocybin Research Advisory Council in ADHS to establish criteria for the clinical trials and oversee the application process for grants. These provisions self-repeal January 1, 2029. Appropriates \$30 million from the general fund in FY2023-24 to ADHS for psilocybin research grants.

## HB2499 - Nutrition assistance; transition pilot program

### Sponsor

Rep. Matt Gress (R)

### Summary

Within 60 days after the effective date of this legislation, the Arizona Department of Economic Security (ADES) is required to develop a pilot program that allows nutrition assistance to individuals and families who no longer qualify for the Supplemental Nutrition Assistance Program (SNAP) and who are transitioning off receiving supplemental assistance. ADES is required to establish criteria for receiving benefits under the pilot program that include the income threshold for qualifying and a process to determine individuals and families who will need additional benefits to permanently transition off of SNAP. By June 1, 2024, June 1, 2025, and June 1, 2026, ADES is required to report to the Governor and the Legislature on the progress of the pilot program and whether transition funding is needed. ADES is required to petition the federal government for grants or waivers to implement the pilot program. Self-repeals January 1, 2027.

## **HB2530 - Substance exposure; pregnant women; neglect**

### **Sponsor**

Rep. Rachel Jones (R)

### **Summary**

On a finding of a pregnant woman using a dangerous drug or narcotic drug, a health care professional is required to refer the woman to substance use services and support to facilitate maternal and infant safety, in addition to reporting to the Department of Child Safety (DCS) as required by statute. On receipt of a report of substance use by a pregnant woman, DCS is required to refer the pregnant woman to the Department of Health Services for referral to a provider for substance use treatment. The receipt of a communication involving substance use by a pregnant woman is prohibited from resulting in a DCS investigation of abuse or neglect. In determining if a child is neglected, consideration must be given to proof of maternal participation in substance use treatment certified by a health care professional.

Rep. Laurin Hendrix (R)

### **Summary**

An organization or individual advocating a legislative proposal that would place a restriction on the form or amount of cost sharing applied to a health plan benefit issued by an insurer is required to submit a written report to the Joint Legislative Audit Committee (JLAC) by September 1 before the start of the legislative session for which the legislation is proposed, and JLAC must assign the report to the appropriate legislative committee of reference for review. The information that must be included in the mandated health coverage or cost sharing restriction reports submitted to JLAC is expanded to include the impact on other policyholders that do not use the treatment or service subject to the mandated coverage or cost sharing restriction, and an analysis of whether the state will be required to defray the costs that a treatment or service may add to the federal marketplace subsidies under specified federal code.

## **HB2631 - Marijuana regulatory board; licensing qualifications**

### **Sponsor**

Rep. Kevin Payne (R)

### **Summary**

An applicant for a new nonprofit medical marijuana dispensary registration certificate or a new marijuana establishment license is required to be an Arizona resident and must demonstrate residency with at least two documents from a specified list of documents that include the applicant's name and address. Establishes a 7-member Arizona Marijuana Regulatory Board and transfers responsibility for the regulation of both medical marijuana and adult-use marijuana to the Board, from the Arizona Department of Health Services (ADHS). Session law provides for the transfer of all administrative matter, licenses and registrations, equipment and other property, and related personnel to be transferred to the Board from ADHS on January 1, 2025. Effective January 1, 2025. Due to voter protection, this legislation requires the affirmative vote of at least 3/4 of the members of each house of the Legislature for passage.

## **HB2723 - Sickle cell disease; annual review**

### **Sponsor**

Rep. David Marshall, Sr. (R)

### **Summary**

The Arizona Health Care Cost Containment System (AHCCCS) Administration is required to conduct an annual review of all medications and forms of treatment for sickle cell disease and services available to AHCCCS members with a diagnosis of sickle cell disease that are eligible for AHCCCS coverage to determine whether the available covered medications, treatments and services are adequate to meet the needs of members with a diagnosis of sickle cell disease and whether the AHCCCS Administration should seek to add additional medications, treatments or services. By January 15, 2024 and each January 15 after, the AHCCCS Administration is required to submit a report to the Governor and the Legislature on the findings from the annual review and any recommendations based on those findings.

## **SB1088 - Good Samaritan; drug overdose; extension**

### **Sponsor**

Sen. Anthony Kern (R)

### **Summary**

Eliminates the July 1, 2023 repeal date for statute protecting a person who, in good faith, seeks medical assistance for someone experiencing a drug overdose from prosecution for the possession or use of a controlled substance or drug paraphernalia if the evidence for the violation was gained as a result of the person's seeking medical assistance, thereby making the statute permanent. Emergency clause.

## **SB1157 - Hospitals; discharge planning; patient assessments**

### **Sponsor**

Sen. Thomas "T.J." Shope (R)

### **Summary**

An assisted living center, assisted living home, or behavioral health residential facility that contacts an emergency responder on behalf of a resident is required to provide to the emergency responder a written document that includes a list of specified information about the resident, including medication and insurance information, and if the emergency responder transports the resident to a hospital, the emergency responder is required to provide a copy of the document to the receiving hospital. For patients being transferred by a hospital to an assisted living center, assisted living home, or behavioral health residential facility, a discharging hospital is required to provide written discharge plans that include a list of specified information, including an assessment of the patient's medical or health conditions. The discharging hospital is required to provide an opportunity for a patient assessment before discharge by the assisted living center, assisted living home or behavioral health residential facility from which the patient entered the hospital or to which the patient is being referred, in order to determine whether the patient's postdischarge care needs are within the facility's scope of services.

## **SB1220 - Alzheimer's disease state plan; appropriation**

### **Sponsor**

Sen. Thomas "T.J." Shope (R)

### **Summary**

The Arizona Department of Health Services (ADHS) is designated as the lead agency in Arizona to address Alzheimer's Disease and related forms of dementias. ADHS is required to develop an Alzheimer's Disease State Plan to assess the impact of Alzheimer's Disease and dementia on Arizona, assess the existing state services that address the needs of persons who have Alzheimer's Disease or dementia and their family caregivers, and provide a strategic plan for state action to increase access to care, support, and treatment, improve quality of care, advance risk reduction and early detection, and ensure a coordinated statewide response. The ADHS Director is required to establish a Dementia Services Program within ADHS that meets a list of specified requirements, including facilitating the coordination and implementation of the Plan. By July 1, 2024 and every third year after, ADHS is required to review the Plan and submit an updated Plan to the Governor and the Legislature. Appropriates \$300,000 from the general fund in FY2023-24 to ADHS for the Program and the implementation of the Plan.

## **SB1226 - Dental board; business entities; records**

### **Sponsor**

Sen. Thomas "T.J." Shope (R)

### **Summary**

A business entity providing dental services is required to include on the registration application the name of the business entity's custodian of records. The business entity is required to notify the State Board of Dental Examiners in writing within 30 days after any change in the name of the business entity's custodian of records who will accept subpoenas and respond to patient records requests. Board licensees and business entities are required to release treatment records to third parties, including current or former associates, employees, or dentists of the practice. The definition of "unethical conduct" for Board licensees is expanded to include failing to provide medical records or payment records to a third party, including current or former associates, employees, or dentists of the practice.

## **SB1238 - Biometrics identifiers; collection; retention; disclosure**

### **Sponsor**

Sen. Wendy Rogers (R)

### **Summary**

Adds a new chapter to Title 18 (Information Technology) regulating the collection, storage, and disclosure of "biometric identifiers" (defined). A "private entity" (defined) is prohibited from collecting, capturing, purchasing, receiving through trade, or otherwise obtaining a person's or a customer's biometric identifier or biometric information unless it first informs the subject in writing that a biometric identifier or biometric information is being collected or stored, informs the subject in writing of the specific purpose and length of term for which the biometric identifier or biometric information is being collected, stored, and used, and receives a written release that is executed by the subject of the biometric identifier or biometric information. A private entity in possession of biometric identifiers or biometric information cannot sell, lease, trade or otherwise profit from a person's biometric identifier or biometric information, and cannot disclose or otherwise disseminate a person's or a customer's biometric identifier or biometric information unless specified conditions apply. A person who is aggrieved by a violation of these provisions is authorized to bring an action in the superior court or as a supplemental claim in federal district court against an offending party. Some exceptions.

## **SB1249 - International medical graduates; licensure.**

### **Sponsor**

Sen. Thomas "T.J." Shope (R)

## Summary

The Arizona Medical Board is required to grant a license to practice medicine in Arizona to an international medical graduate who is a resident of and is licensed to practice in any of a list of ten countries if the person meets other specified requirements. AMB is required to issue a provisional license to practice medicine in Arizona to any international medical graduate who has an offer for employment at any health care provider that operates in Arizona, whose federal immigration status allows him/her to practice as a physician in the U.S., and who meets the requirements for licensure. A provisional license under these circumstances is automatically converted into a full license after three years unless AMB disciplines the licensee in that period. Effective January 1, 2024.

## **SB1250 - Employers; vaccines; religious exemption**

### **Sponsor**

Sen. Janae Shamp (R)

### **Summary**

Employers are required to allow employees to claim a religious exemption from taking the COVID-19 vaccination, influenza A or B vaccination or flu vaccination, or any vaccination approved by the U.S. Food and Drug Administration for emergency use. Employers are prohibited from inquiring into the veracity of an employee's religious beliefs, and from discriminating against an employee regarding employment, wages, or benefits based on the employee's vaccination status. Employees of a health care institution are authorized to file a complaint with the Attorney General (AG) if the health care institution did not offer the employee a religious exemption form or improperly applied or denied the employee's religious exemption and the employee's employment was terminated, including the functional equivalent of termination. The AG is required to investigate all complaints. If the AG finds the complaint valid, the AG is required to notify the health care institution and allow the employer the opportunity to correct the noncompliance within 10 days. The AG is required to assess a civil penalty of \$5,000 on a health care institution that does not correct the noncompliance.

## **SB1252 - Child fatality review committee; establishment**

### **Sponsor**

Sen. Janae Shamp (R)

### **Summary**

Establishes a 15-member Independent Child Maltreatment Fatality Review Committee in the Arizona Department of Administration to conduct a thorough review of each child maltreatment fatality or near fatality, critically analyze the child safety system to identify improvements that could mitigate future child maltreatment fatalities or near fatalities, and publish an annual child maltreatment fatality or near fatality report that includes specified information. The Committee is required to have ongoing access to complete and unredacted records in the custody of the Department of Child Safety. If a child fatality review team finds that a child's fatality was the result of maltreatment, the team is required to submit all materials corresponding to the team's review to the Committee.

## SB1269 - Nurse anesthetists; clinical rotations; appropriation

### Sponsor

Sen. Janae Shamp (R)

### Summary

A certified registered nurse anesthetist is authorized to administer anesthetics, without being under the direction of and in the presence of a physician or surgeon, in specified settings. Establishes the Student Registered Nurse Anesthetist Clinical Rotation Program in the Arizona Health Care Cost Containment System (AHCCCS) Administration to expand the capacity of preceptor training programs at health care institutions for nurse anesthetist students. The AHCCCS Administration is required to develop a grant program to distribute monies appropriated for the Program to licensed health care institutions to expand or create clinical training placements for nurse anesthetist students. Appropriates \$200,000 from the general fund in FY2023-24 to the AHCCCS Administration for the Program.

## **SB1293 - Long-term care; inspections; investigations**

### **Sponsor**

Sen. Steve Kaiser (R)

### **Summary**

Beginning July 1, 2024, the Arizona Department of Health Services is required to contract with a third-party entity to conduct all inspections, complaint investigations and survey duties relating to "long-term care facilities" (defined). The contractor is required to inspect each long-term care facility at least twice annually, in addition to any inspection that is necessary in response to a complaint investigation. All inspections of long-term care facilities must be unannounced. By December 1, 2024, and each year after, the third-party entity is required to issue a report to the Governor and the Legislature on the condition of all long-term care facilities in Arizona.

## **SB1302 - Dental insurance; medical loss ratio**

### **Sponsor**

Sen. John Kavanagh (R)

### **Summary**

By March 31 of each year, dental insurers are required to file with the Department of Insurance and Financial Institutions (DIFI) a "medical loss ratio" (defined) report that is organized by market and product type, and information that must be included in the report is listed. DIFI is required to make medical loss ratio reports available to the public. Dental insurers owe a rebate to subscribers on a pro rata basis by August 1 following the calendar year for which the medical loss ratio report was filed if the ratio is less than 85 percent for a "large group market" (defined) insurer or is less than 80 percent for a "small group market" (defined) insurer.

## SB1333 - Database; health professionals; license revocations

### Sponsor

Sen. Janae Shamp (R)

### Summary

Each "health profession regulatory board" (defined) is required to report to the Arizona Department of Health Services (ADHS) all license and certification revocations that occurred between July 1, 2019 through July 1, 2024, and the revocation of a health professional's license or certification. By July 1, 2024, ADHS is required to create a searchable online database that is posted on the ADHS website that contains the names of the health professionals who have had a license or certification revoked in the preceding five years, the date of the revocation, and the health profession regulatory board that revoked the license or certification.

## **SB1334 - Advanced practice nurses; compact**

### **Sponsor**

Sen. Janae Shamp (R)

### **Summary**

Adds a new article to Title 32 (Professions and Occupations) establishing an advanced practice registered nurse (APRN) compact, which allows licensed nurse to apply for an APRN multistate license. All party states to the compact are required to participate in a coordinate licensure information system to assist in the coordinated administration of APRN licensure and enforcement efforts. The party states establish a joint public agency known as the Interstate Commission of APRN Compact Administrators. Powers and duties of the Commission are specified, including a rulemaking process. Establishes procedures for oversight, dispute resolution, and enforcement. The compact becomes effective when it is enacted into law in seven party states. Provides for withdrawal from the compact, amendments to the compact, and construction of the compact.

## **SB1382 - Pharmacy benefit managers; certificate requirements**

### **Sponsor**

Sen. Janae Shamp (R)

### **Summary**

Pharmacy benefit managers are required to obtain a valid certificate of authority to operate as a pharmacy benefit manager in Arizona from the Department of Insurance and Financial Institutions (DIFI). Information that must be included in an application for a certificate of authority is specified. DIFI is authorized to issue a cease and desist order if a pharmacy benefit manager does not hold a valid certificate, and is authorized to suspend or revoke a certificate in specified circumstances. A pharmacy benefit manager, other than a mail-order pharmacy or specialty pharmacy, is required to provide a reasonably adequate and accessible retail pharmacy benefit manager network for the distribution of prescription drugs for a health care plan that provides convenient enrollee access to

pharmacies within a reasonable distance from an enrollee's residence. Establishes reporting and audit requirements. Effective January 1, 2025.

## **SB1433 - Employer liability; COVID-19 vaccine requirement**

### **Sponsor**

Sen. Justine Wadsack (R)

### **Summary**

If an employer denies a religious exemption and requires a person to receive a COVID-19 vaccination as a prerequisite to or requirement for maintaining employment, the employer is liable to the person for damages that result from a significant injury that is caused by receiving the COVID-19 vaccination. A claimant who prevails under this provision must be awarded actual damages, court costs, and reasonable attorney fees or statutory damages of \$1 million, whichever is greater, and may also recover exemplary damages. These rights supplement any other rights and remedies provided by law.

## **SB1466 - Medical marijuana; adult-use marijuana**

### **Sponsor**

Sen. Thomas "T.J." Shope (R)

### **Summary**

By December 31, 2023, any marijuana or marijuana product packaging labeled for sale is required to include a consumer scannable tetrahydrocannabinol quick response code or similar technology linking to a webpage that displays a list of specified information for the specific marijuana product, including required warnings as determined by the Arizona Department of Health Services. By December 31, 2023, nonprofit medical marijuana dispensaries are required to procure, develop, acquire and maintain a system to track marijuana and marijuana products at all points of cultivation, manufacture and sale. Requirements for the system are listed. Nonprofit medical marijuana dispensaries are required to sell marijuana and marijuana products in clearly and conspicuously labeled containers with accurate warnings regarding their use, and in child-resistant packaging on exit from the dispensary. Nonprofit medical marijuana dispensaries are prohibited from packaging or labeling marijuana or marijuana products in a false or misleading manner, and from selling or advertising marijuana or marijuana products to children or with names that resemble or imitate food or drink brands marketed to children. Due to voter protection, this legislation requires the affirmative vote of at least 3/4 of the members of each house of the Legislature for passage.

## **SB1600 - Infants; born alive; requirements**

### **Sponsor**

Sen. Janae Shamp (R)

### **Summary**

Any infant who is born alive, including one born during the course of an abortion, must be treated as a legal person under the laws of Arizona and has the same rights to medically appropriate and reasonable care and treatment. Birth and death certificates must be issued for the infant, as appropriate. Any health professional who is present at the time an infant is born alive is required to take all medically appropriate and reasonable actions to preserve the life and health of the infant who is born alive. Any health professional, hospital, abortion clinic, or employee or volunteer of a hospital or abortion clinic that has knowledge of a failure to comply with these requirements is required to immediately report the failure to law enforcement. Does not prevent an infant's parent or guardian from refusing to give consent to medical treatment or surgical care that is not medically necessary or reasonable.

## **SB1601 - Breast examinations; cancer screenings; age**

### **Sponsor**

Sen. Janae Shamp (R)

### Summary

Health and disability insurers that provide coverage for surgical services for a mastectomy are required to cover a mammogram, digital breast tomosynthesis, magnetic resonance imaging, or ultrasound every year for a woman who is 40 years of age and over, instead of only a mammogram every two years for a woman who is 40 to 49 and every year for a woman who is 50 years of age and over, and to cover a mammogram, digital breast tomosynthesis, magnetic resonance imaging, or ultrasound at any age and interval as deemed medically necessary by the woman's health care provider, if a screening mammogram reveals any abnormality or the patient presents with symptoms, or if the patient is deemed to be at an increased lifetime risk for breast cancer as defined by medically established risk models or has a history of breast cancer.

## SB1602 - Dental anesthesia; requirements

### Sponsor

Sen. Janae Shamp (R)

### Summary

A dental office or dental clinic at which general anesthesia or deep sedation is administered is required to contain the a list of properly operating equipment and supplies when administering general anesthesia or deep sedation, including emergency drugs, an electrocardiograph monitor, a pulse oximeter, positive pressure oxygen, and other tools and monitoring devices. The health care personnel at a dental office or dental clinic at which general anesthesia or deep sedation is administered must be capable of handling procedures related to complications and emergency incidents, including holding a current health care provider level course completion confirmation in cardiopulmonary resuscitation. A State Board of Dental Examiners licensee who has not obtained a permit for applying general anesthesia is authorized to perform dental procedures on a patient who

receives an anesthetic administered by a "qualified anesthesia provider" (defined) who is exclusively responsible for the preoperative, intraoperative and postoperative anesthetic management of the patient. Establishes requirements for qualified anesthesia providers.

## **SB1649 - School personnel; emergency glucagon administration**

### **Sponsor**

Sen. Eva Burch (D)

### **Summary**

Pursuant to a standing order issued by the chief medical officer of a county health department, a licensed physician, nurse practitioner, or a nurse who is under contract with or is an employee of a school district or charter school and who is trained in the administration of glucagon may administer or assist in the administration of glucagon to a student or an adult whom the employee believes in good faith to be exhibiting symptoms of hypoglycemia while at school or at a school-sponsored activity. Chief medical officers of county health departments, licensed physicians, licensed nurse practitioners, school districts, charter schools, and employees of school districts and charter schools are immune from civil liability with respect to all decisions made and actions taken that are based on good faith implementation of these requirements, except in cases of gross negligence, wilful misconduct or intentional wrongdoing.

## SB1703 - In loco parentis; prohibition

### Sponsor

Sen. Justine Wadsack (R)

### Summary

Unless otherwise required by law, an employee of the state, any political subdivision, any other governmental entity, or any other institution is prohibited from standing in loco parentis to a parent's child without the parent's consent. Repeals statute allowing consent for emergency medical attention for a minor to be given by any person standing in loco parentis to the minor. Deletes various references to a person in loco parentis of a child throughout statute. Due to voter protection, one section of this legislation requires the affirmative vote of at least 3/4 of the members of each house of the Legislature for passage.
